

Erratum in Homeopathy (2010) 99, 37-50, p 41:

The table linked Guedes et al. (experiments with thyroid hormone 10^{-26}) directly to Endler et al. (10^{-8}), however the study in question (on T_4 10^{-30}) has been published in Zausner et al. Even if the paper Zausner et al. is available in German language only, it deserves special attention as it has been published in "Perfusion" on invitation by its editor E. Ernst.

Tissue growth and differentiation

Endler et al. ⁴⁵ Metamorphosis Frog T_4 1 : 10^8 (iso-endopathy) Metamorphosis rate
Yes Succussed vehicle Yes Yes
+ 3-centric study with convergence of results in 2 labs

Zausner et al. ⁴¹ Metamorphosis Frog T_4 1 : 10^{30} (iso-endopathy) Metamorphosis rate
Yes Succussed vehicle Yes Yes
+ 3-centric study with high convergence of results

Guedes et al. ⁴⁴ Metamorphosis Frog Thyroid 1 : 10^{26} (iso-endopathy) Metamorphosis rate
Yes Unsuccussed control Yes Yes
+ Convergence of results with those from Zausner et al. 2002
